

Chief Financial Officer

Do you want to take a leading seat in an international software company listed on Nasdaq First North Premier? In a position with great responsibility but with greater impact? Are you skilled, ambitious, and hungry for growth - both for the business and yourself? Then SameSystem could be the ideal next step in your career. We invest in our employees and take pride in ensuring your professional growth.

Your role in the Company

In cooperation with the rest of the management team, you will be responsible for all affairs related to the financial control of our Company. As our CFO, you will have both a day-to-day and a strategic impact on the business, helping us to analyse, strategise, and grow our financial position. We are in the process of improving scalability and streamlining our financial function, which means we are looking into many exciting projects. You will be able to set the bar for how we set up, manage and run our business, and you will oversee a team handling all aspects of daily accounting and month-end closing processes, including:

- Quarterly External reporting as we are listed on Nasdaq First North.
- Internal management reporting & control
- Accounting, tax, and VAT
- Treasury & cash flow management
- Business partner for operations
- Investor Relations
- Legal and regulatory compliance
- Supervise all finance personnel (controllers, treasurers etc.)
- Manage vendor relationships
- Set up and oversee the company's finance IT system

Your profile

A person you can see risks and opportunities behind financial data and act as a trusted strategic business partner for the CEO. To do this, we need a person with strong leadership skills, who prioritise excellent communication with team members, and who is an expert on current financial topics related to our industry.

Ideally, you have experience as a CFO from a similar position or the ambition to take the next step in your career.

We further expect that you have:

- MA in Accounting, Finance or similar relevant field and data analysis
- Excellent knowledge of corporate financial law
- Hands-on experience with risk management
- Hands-on experience with financial management software
- Excellent time-management and organisational skills
- Excellent communication, interpersonal and leadership skills
- A problem solving and critical thinker mindset

We want to empower all our employees, and it is important for us that you thrive in a culture where you are expected to take responsibility and challenge the status quo.

Office location

Your primary working location is at our office situated at Rentemestervej 2a, Copenhagen NV.
